

I. For each of the following indicate the *personal ending* you would use in Latin and the *English pronoun* it represents.

EXAMPLE:

1st person plural – the Latin personal ending is *-mus* and the English pronoun is *We*

1. 2nd person plural
2. 3rd person singular
3. 1st person singular
4. 1st person plural
5. 2nd person singular
6. 3rd person plural

II. Write out the steps for forming the present tense of the 1st conjugation in the active voice.

III. How can you tell that a verb is from the 1st conjugation?

IV. Translate the following into English.

1. ambulamus
2. navigat
3. narrant
4. datis
5. clamamus
6. aedifico

V. For 1-6 in section IV, write down what the person and number is for each form. I have done #1 to help you understand what to do.

1. 1st person plural

VI. Write out the declension for puella
