

The irregular verb: eo, ire, ivi, itum - go

ii (there is an alternative 3rd principal part)

- This verb is not as irregular as the others we have been learning.
- The present tense is only irregular in the 1st person singular and the 3rd person plural.
- The imperfect tense is actually regular
- The future tense is only irregular because a 4th conjugation does not use –bo, bi, bu.

present tense

eo-I go	imus – we go
is- you go	itis-you go
it – he goes	eunt-they go

imperfect tense

ibam – I was going, I used to go	ibamus
ibas	ibatis
ibat	ibant

future tense

ibo- I will go	ibimus
ibis	ibitis
ibit	ibunt

- The perfect follows regular steps.
- This verb is very small and it often confuses students because it looks more like endings than an actual verb form. Be careful when reading and translating
